

Presentation School Tuition Agreement 2011-2012

The purpose of SCRIP and parent participation in fund-raising is to keep tuition rates down. In the past, all families were required to purchase SCRIP and work 40 hours. The profits from these programs go directly into the school's operating budget and this profit is depended upon to meet expenses.

SCRIP and fund-raising participation is not mandatory. However, since the profits from these fund-raisers are essential to the operation of the school, the amount that would have been raised through participation in these programs will be included in the tuition of those families that choose not to participate. Should any of the discounted rates be chosen, a shortfall in hours will be billed at the following rates: \$50 per hour for the 15 mandatory hours; \$25 per hour for the remaining 25 hours. A shortfall in the \$250 SCRIP profits will be billed accordingly.
